riley table

Riley table designed by Sam McMorran

design

Riley is a beautifully crafted solid oak pull-up table, sized perfectly to slide over benches, sofa arms or chair arms.

technical

Riley is handmade in solid wood....nothing else. It is sealed with a light matt lacquer, preserving the natural feel of the wood. Riley is proudly manufactured in our UK workshops. *All dimensions quoted are rounded to the nearest 5mm or nearest 1/2 inch.

general manufacture description

The Riley table is available in a range of finishes, for the purpose of this document we have a specific example from the range:

Riley table
RLY (Oak)

Please use the material index and the breakdown of component mass below to establish the environmental qualities of other finish options in this range.

The Riley table legs are hand made in solid oak and the surface is then finished with a hard wearing spray matt lacquer. The table top is made from moulded beech plywood and faced with oak veneer. This is glue assembled to the legs to provide a robust single piece finished table.
