

# hush sofa

## design

The hush sofa is a proud wider version of the popular hush chair. Making perfect sense of the distinctive hush profile, the sofa takes on its own elegant characteristic whilst expanding on all the benefits of the hush chair.

## technical

The main body of the hush sofa is constructed with moulded plywood and CMHR foams. The various base options contain solid oak from FSC certified sources or chromed mild steel. \*All dimensions quoted are rounded to the nearest 5mm or nearest 1/2 inch.

Hush sofa designed by naughtone

### general manufacture description

The Hush sofas inner shell is constructed from 1 solid moulded plywood form. The frame is then covered with CMHR foams and fully upholstered over with fabric. The Hush shell and base is assembled together with dry fixings and the upholstered shell can be easily broken down into separate materials with hand tools.

The Hush sofas wooden legs are turned from square blocks of FSC certified solid oak. The legs are jointed together into a complete base with solid oak rails. The complete oak base is sealed with spray matt lacquer.

### general manufacture description

The Hush sofa innershell is constructed from 1 solid moulded plywood form. The frame is then covered with CMHR foams and fully upholstered over with fabric. The Hush shell and base is assembled together with dry fixings and the upholstered shell can be easily broken down into separate materials with hand tools.

The Hush sofa sled base is machine bent from mild steel rod, then weld jointed together and hand polished to a smooth surface. The steel rod is then finished with either chrome plating or polyester powder coat.
